

Crescenta Valley CERT invites you to join us.

The classes are free and the information is priceless.

The **Community Emergency Response Team (CERT)** program is an all-risk, all-hazard training. This valuable course is designed to help you protect yourself, your family, your neighbors and your neighborhood in an emergency situation.

CERT is a positive and realistic approach to emergency and disaster situations where citizens may initially be on their own and their actions can make a difference. While people will respond to others in need without the training, one goal of the **CERT** program is to help them do so effectively and efficiently without placing themselves in unnecessary danger.

In the **CERT** training, citizens learn to: *Manage utilities and put out small fires* *Treat the three medical killers by opening airways, controlling bleeding, and treating for shock* *Provide basic medical aid* *Search for and rescue victims safely* *Organize themselves and spontaneous volunteers to be effective* *Collect disaster intelligence to support first responder efforts*

COURSE IS CONDUCTED OVER 5 SESSIONS ALL CLASSES MUST BE ATTENDED TO RECEIVE A COURSE CERTIFICATE
