USGA Rules of Golf govern play except where local rules apply. All four amateurs tee off, select the best shot, then all players hit from within one club length from that spot, no nearer the hole. Continue the process until the ball has been holed out. In placing the ball, the team must maintain the similar condition; i.e. rough to rough, fairway to fairway, hazard to hazard. When on the green, place the ball within 6" of the ball selected no closer to the hole. Any team playing extra holes at the completion of the tournament will be disqualified.
